Life Member Award

Award Information

Destination Greater Victoria's Life Member Award recognizes an outstanding individual for their exceptional contributions to Destination Greater Victoria, Greater Victoria's visitor economy and/or the community. This individual will be recognized and receive the Life Membership distinction at the Annual General Meeting.

A Life Member is an exceptional individual who has contributed their time, knowledge and abilities to the enhancement of the tourism industry and/or the community, and who has demonstrated a significant and sustained commitment toward the enhancement and reputation of Destination Greater Victoria.

The Life Member is invited to attend meetings of the organization, is exempt from dues, and enjoys many of the rights and privileges of full membership.

Criteria and Nominations Process

Criteria for Life Membership are:

- Must be an individual, not a business, company, corporation, organization, society, association, institute, firm, group, union, party, or establishment.
- Recipient should be involved with the local tourism industry and active in the community.
- Previous or current membership with Destination Greater Victoria is not mandatory.

In acknowledgement of the significance and importance of this recognition only one individual, if any, will be awarded Life Membership distinction per year. As a Life Member is among the most prestigious of the Society, it is expected that nominees will be truly outstanding.

Nominations will be reviewed by Destination Greater Victoria's Finance and Membership Committee and recommended to the Board of Directors for final approval. The successful nominee will be invited to the Annual General Meeting to accept the award, scheduled for Friday April 28, 2023.
